

# Invoice Finance Simplified

**Factoring:** Lend up to 90 % of the value of your invoices . Easier for smaller businesses to secure, The factoring provider credit check potential customers and collects payments,

**Invoice discounting:** This works in a similar way to factoring, but your business keeps control of customer payments.

## Other types of invoice finance

**Selective invoice financing** provides you with the flexibility to finance selected customer accounts,, **Spot factoring** gives you the option to finance distinct invoices.

## Withdraw money at your convenience with our Digital Invoice Account:

Financing invoices shouldn't feel like an uphill battle, and with our funders, it doesn't. Submit your customer's invoice and we'll take care of the rest. You receive instant payment in full, and when your customer settles the invoice, the funders get repaid. No commitments, no interest, just one fee each time you withdraw funds.
