

Business Builder Loan

A Capital and Interest loan solution

Let us introduce you to Business Builder, a Capital and Interest Loan for business investment and capital expenditure, with funding from £10,000 to £1m over 12 months.

Who is it for?

Business Builder is for those requiring support with business development costs and investments where ROI will materialise over time, such as refurbishments, acquisitions and equipment.

It is ideal for bigger purchases and where business cash flow allows you to repay capital and interest over the term of the loan. It also gives you certainty of term end date helping with business planning and projections.

A straightforward application process giving you fast access to business funding.

- Daily interest from

0.064%

- or monthly from
