

Business Accelerator Loan

A flexible interest only loan solution

Let us introduce you to Business Accelerator, a flexible interest only loan solution designed to support SME's with their funding requirements.

Who is it for?

It is ideal for those businesses who need a more flexible repayment schedule and who need to keep monthly repayments down to ease cash flow.

This could be in the early stages of business start-up, or to deliver cash flow support for new contract work. It allows for the purchase of stock and materials, or even small plant and machinery.

The Business Accelerator offers **funding from £10,000 to £1m over 12 months.**

A straightforward application process giving you fast access to business funding.

- Daily interest from **0.058%** or monthly from **1.75%***
- Interest only monthly repayments
- Capital repaid in one sum at the end of the 12 month term, or the option to roll over to a Revolving Credit Facility
- Optional interest payment holiday in the first 3 months
